

Afternoon Tea Selections

AFRICAN SOLSTICE

HERBAL TEA

African Solstice tea is a great anytime tea. Rooibos has a full-bodied flavor that holds up to milk and sugar as a caffeine-free breakfast tea. Likewise, the hint of vanilla and berry add a touch of sweetness that can delight after dinner or for a mid-afternoon treat. Much less tannic than tea, rooibos is very easy on sensitive stomachs, and can easily be enjoyed with or without food. African Solstice pairs very well with rich flavors like caramel, meats and cheeses. Flavor: Tart, sweet, rich Aroma: Fresh berry with a whisper of vanilla Color: Bright orange-red liquor

DECAF BREAKFAST

BLACK TEA

Naturally decaffeinated Ceylon Black tea. The Island of Ceylon, now known as Sri Lanka, produces almost exclusively black tea. The classic Ceylon teas come from the mountainous interior which is known for teas with mild and pleasant liquors that are unusually fragrant. Flavor: Mild, yet flavorful with raisiny depth Aroma: Characteristic Color: Amber-red

ENGLISH BREAKFAST

BLACK TEA

English Breakfast combines the best traditions of builder's tea with more aristocratic fine teas. Strong and highly caffeinated, this fine tea will start your morning properly, and keep you going throughout the day. From India's Assam growing region and famous Sewpur Estate, an outstanding example of a rich and robust, pure Assam wake up tea. For the ultimate English Breakfast tea. We specially selected this exceptional organic leaf for its sweet malty body to delight those seeking the quintessential British cup of tea. A strong, complex cup with or without milk. Flavor: Brisk and bold with rich finishing flavors of malt Aroma: Comforting, tangy and malty, with notes of raisin Infusion: Deep red

EARL GRAY

BLACK TEA

This tea is an exceptional blend of stunningly superb Organic Assam tea leaves infused with cold-pressed Italian Bergamot oil from the citrus fruit grown in Calabria, Italy. Considered to be one of the most popular teas in the West, and likely the most popular flavored tea in the world, we've made this an even greater grey with a sprinkling of organic cornflowers to create a rich, full-bodied cup for those who enjoy their tea with milk for the perfect classic. Flavor: Bright and balanced, with lively citrus freshening flavor with floral undertones Aroma: Subtle and light Infusion: Dark, coppery, with blue cornflower petals

WHITE AMBROSIA

WHITE TEA

Ambrosia white tea is from the Fujian Province located on China's southeast coast. This very rare white tea originates from the Great White tea bush which is only harvested in the spring during a very short time period. It is also known as "White Peony", because of the similarity of its appearance to the petals of the peony flower. Unlike black and green tea, white tea is the least processed and therefore contains the smallest amount of caffeine. Enjoy this delicate cup of tea, high in antioxidants morning, noon or night. Flavor: delicate, tropical, sweet Aroma: very fragrant, sweet, tropical Color: golden yellow

WHITE GINGER PEAR

WHITE TEA

White Ginger Pear white tea is sourced from the most famous tea region of China. The white tea originates from the Da Bai tea bush which is harvested in the spring. This smooth white tea is infused with lemon balm, an herb that is a member of the mint family, which contributes to a clean, fresh citrus profile and is believed to have strong soothing effects and to encourage relaxation. The ginger brings a spicy touch that's good for digestion, and notes of pear and licorice root bring it all together. Flavor: Fruity balanced with tangy citrus and a spicy ginger finish Aroma: Fruity with a pungent ginger note Color: Straw yellow

MOROCCAN MINT

GREEN TEA

Moroccan Mint green tea combines hand-rolled Chinese gunpowder green tea with fresh nana mint leaves. Also known as atay bi nanna, Moroccan Mint Tea, is the national drink of Morocco, and is the traditional tea of Moroccan hospitality. The green tea leaves are rolled to protect the precious oils, and to early traders, these leaves resembled buck-shot, hence the name. Nana mint is a fragrant mint grown only in North Africa. It possesses a distinctive, mint-menthol-like character. Flavor: Lingerling sweet, smooth and cooling finish Aroma: Refreshing and minty Color: Golden yellow-green

CHERRY BLOSSOM

GREEN TEA

A joyous pairing of tart cherries, flowers, and organic green tea. Named for the annual Japanese cherry blossom festival, each cup invites tea lovers around the world to breathe in and appreciate the fleeting beauty of spring flowers in bloom. Flavor: Notes of cherry Aroma: Lightly floral & fruity Color: Light golden-green

JASMINE GREEN

GREEN TEA

Jasmine Green complements without overpowering. All green tea is an excellent choice for enjoyment throughout the day. Without milk or sugar, this is a calorie-free beverage that is super-charged with antioxidants. With much less caffeine than coffee, green tea boosts energy but doesn't create jitters. If you find green tea to be too bitter, try steeping it for a shorter time and/or with cooler water. Steeped properly, there should be very little bitter flavor, rather vegetal, mild and even slightly sweet or nutty. "Cooking" or over-steeping greens is a common mistake for those more familiar with black tea: experiment with steeping to match your own taste. Flavor: soft yet intoxicating floral notes from jasmine well balanced with fresh Fujian Aroma: intensely floral Color: golden yellow green

RASPBERRY NECTAR

HERBAL TEA

Enticing balance of sweet and tart. Spanish raspberries, hibiscus petals and rose hips are high in antioxidants and vitamins, particularly Vitamin C which research has found may aid in reducing the risk of heart disease and high blood pressure. Apple pieces, blackberry leaves and orange peel provide a medley of fruit flavors that gives this tea its luscious character. This ruby red, delectable herbal tea is naturally caffeine free and perfect to enjoy day and night. Flavor: Fragrant, fruity, nicely-balanced Aroma: Sun-ripened berries Color: Bright, deep translucent red

WILD BERRY HIBISCUS

HERBAL TEA

Wild Berry Hibiscus tea is a tart and sweet infusion of juicy berries and sun-ripened citrus with sophisticated floral notes. Ingredients include organic hibiscus, organic apple, organic licorice root, organic blackberry leaves, organic orange peel, organic rosehips, and organic raspberries from Poland. Finished with natural flavors of berry, this tart and exotic blend steeps to a bright red hue. Naturally caffeine-free. Flavor: Tart, hibiscus, raspberry Aroma: Hibiscus, raspberry Color: Deep-red

TURMERIC TANTRA CHAI

HERBAL TEA

Infused with ginger root, cardamom pods, clove buds and just a hint of pepper, this tisane blend has a soothing effect on the throat and an almost soup-like consistency, slightly less transparent than most herbal elixirs. Smooth and sweet with a hypnotic finish, it delivers a level of comfort that leaves some tea enthusiasts craving a second cup as soon as they've finished the first. Thankfully, this blend is free of caffeine and calories, making it an indulgence free of consequences, too. Flavor: A sweet, unique pairing of licorice & lemongrass Aroma: Tropical & green with subtle complexity Infusion: Honey-colored
